SUMMARY

Highly passionate and skilled software developer with 3+ years of experience. Specialized in UI development, proficient in React, and has worked on impressive projects. Possesses knowledge of backend development and constantly expanding expertise with new libraries

WORK EXPERIENCE

WINUX SOFTWARE SOLUTIONS

Feb 2022 - Present

- Developed reusable components using React hooks and custom hooks, enhancing code reusability and maintainability.
- Implemented state management using Redux and Redux Toolkit for efficient data flow within the application.
- Utilized React Router DOM for seamless navigation and conditional rendering based on routes and parameters, ensuring a smooth user experience.
- Employed CSS preprocessor Sass for enhanced styling capabilities, along with popular UI libraries such as Elastic UI, Material UI, AntD, and Bootstrap.
- Integrated API fetching, utilizing Axios and RTK Query for efficient retrieval of data from RESTful APIs, enhancing application functionality.
- Implemented user authentication using JSON Web Tokens (JWT), ensuring secure access to protected routes and resources.
- Conducted thorough testing of React applications using React Testing Library, ensuring code quality and robustness.
- Proficient in TypeScript, enhancing code readability and maintainability by adding static typing to React projects.
- Contributed to backend development, leveraging AWS services such as Cognito for user authentication and management, S3 Bucket for storing images, SES for sending emails, and EC2 for deployment purposes.

SKILLHUB IT SOLUTIONS

Jan 2021 - Jan 2022

- Work on UI development with HTML, CSS, Bootstrap and JavaScript.
 - Started the journey to explore JavaScript library ReactJs and along with state management libraries like Redux.
 - Worked with Axios and React-router
-

SKILLS

- **Frontend Development:** HTML, CSS, JavaScript (ES6)
- **React Framework:** React.js, Redux, Redux Toolkit, Redux Toolkit Query
- **React Router:** React Router DOM
- **UI Design:** Elastic-UI, Bootstrap, AntD
- **Component Development:** Storybook
- **Backend Development:** Node.js, Express, MongoDB
- **AWS services:** Cognito, S3 Bucket, SES, EC2
- **Testing Library:** React Testing Library (Jest)

EDUCATION

Master of Computer Application

2022-2024

- Chandigarh University

Bachelor of Computer Application

2019-2022

- Deogiri College, Aurangabad
-

LANGUAGES

- English
 - Hindi
 - Marathi
